Set your sights on the latest in portable entertainment.

MOBI-NOTE'S NEW 7-INCH DVX-POD 7010 IS TO VIDEO WHAT MP3 PLAYERS ARE TO AUDIO. The player is lighter, thinner, and smaller than portable DVD players, and it has a 16:9 (widescreen) color LCD with up to 854 x 640 resolution. The 20GB HDD can store **30 MPEG-4 films, 5,000 MP3 music files,** or about **20,000 pictures** and can record from DVD or TV input without a PC. Available mid-November. US\$599. mobinote.com.tw
